Fill out these papers with a black pen for creating your own handwritten font.

Rewrite the following typographical characters, using your own handwriting.

1) Rewrite 3 times the following pangram*
"Pack my box with five dozen liquor jugs."

* pangram: a pangram or holoalphabetic sentence is a sentence using every letter of a given alphabet at least once.
If the font you want to create is not in English, please write every single letter of your own alphabet, or alternatively find a pangram in your own language. Try wikipedia.

2) Rewrite once "0 1 2 3 4 5 6 7 8 9 / , . ; " "@ # ! ? ( ) [ ] è é à ì ù ò"

3) Rewrite 3 times one or more sentences you would like to write with your brand new custom font.

4) If you would like to add some more special typographical characters, this blank page is the right place !
